

Policies for Handling International Applicants for Exhibits at Missions Fest

1. Invite organization to follow the first procedure i.e. Statement of Faith AND Statement of Purpose, Activities and Impact.
2. Upon receipt of this information, request the following information:
 - a. Is this organization registered with their federal government?
 - b. If yes, under what name?
 - c. Does this organization have a Board of Directors or equivalent? What are their names? To whom are they accountable?
 - d. Who audits their accounts annually? Is this information available to the public?
 - e. With what denomination or organization is this organization associated in its country?
 - f. With whom outside their country is this organization associated?
 - g. References.
 - i. From the country of residence: We need three references outside the organization, none of whom represent the same church, denomination or organization or family member together with email addresses and phone numbers.
 - h. What would be the purposes for coming to Missions Fest?
 - i. For how many years has this organization operated?
